# How to guide – Download center

# **Basic navigation**

The download center is a webpage within a webpage therefor there will be some methods that you have to learn to navigate it correctly. In the Download center the data is always the most updated files that we have available.

- To go back to the beginning of the download center you need to use the <u>"Home"</u> button. If you click the back button in your browser, it will go back to the previous page that you have visited.
  - Download center

    Product images

    Wood samples

    Safety data sheet

    Techical data sheet

    Product information

    Brochure
    Brochure
    How to guides
- You go into the folders by clicking on a specific folder that you want access to

# How to download:

• Go to the Download center

• Choose the folder "Brochure" or "How to guides"

• Select your language and select Search

Download o	enter	Language • 9 0	[ <b>≒</b> ]∆	)
DownLoadFile	Select Name	Language German	=	
	Industrial Base Colour System 4+1 Overview - WOO	English	Ħ	+
